

CERTIFICATE

of constancy of performance

1922 - CPR - 0578

In compliance with Regulation (EU) 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Spherical bearings with Trade Mark 

Spherical bearings with Horizontal Sliding Part

Material PTFE & *metGLYDE*™

for Operating Temperature of -40° C to +50° C for use in Bridges, Building and other Civil Engineering Works where requirements on Individual Bearings are critical

placed on the market under the name or trade mark of

METAL ENGINEERING & TREATMENT CO. PVT. LTD.

Regd. Office at Jessore Road, P.O. Ganganagar, North 24 Parganas - 700132, West Bengal, India

and produced in the manufacturing plant

METAL ENGINEERING & TREATMENT CO. PVT. LTD.

K-65, Howrah Industrial Estate, Baltikuri - Howrah-711105, West Bengal, India

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 1337-7:2004

under system 1 for the performance set out in this certificate are applied and that the factory production control conducted by the manufacturer is assessed to ensure the constancy of performance of the construction product.

This certificate was first issued on 28.04.2016 and will remain valid until 28.12.2017 as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body. The certificate is supported through annual surveillance audit and is reissued after each surveillance audit. The validity of the certificate may be confirmed in the CE register at the web address www.dedal-bg.net.
